In recognising the importance of Doctoral work in the area of Artificial Organs, the board of governors is pleased to announce:

Call for ESAO PhD Award

Aim

To encourage excellent young researchers who recently obtained their PhD to apply for a prestigious PhD Award from ESAO

Who can apply?

The applicant should have

- been a member of ESAO or yESAO for at least two calendar years,
- attended at least two ESAO congresses or winter schools with active participation (poster or oral presentation),
- defended her / his PhD after January 1st, 2018 with honorary distinction.

How to apply?

- An electronic version of the PhD thesis.
- Proof of ESAO congress or winter school attendances.
- PhD certificate.
- CV including publication list, international and national scientific awards and grants, scientific stays abroad, and details of presentations on international conferences.

Please submit the above documents **in PDF format** to ESAO secretariat, Ms. Anita Aichinger : anita.aichinger@donau-uni.ac.at

Timeline

- Deadline for submission: **July 1st, 2019.**
- Decision of the PhD Award committee: **August 1st, 2019.**
- Award ceremony for ESAO PhD Award during the upcoming ESAO annual congress in Hannover, **September 3rd-7th, 2019.**
